THE BIBLE?

IS THE BIBLE TRUTH?

- All the books of the Bible are in **harmony** with each other and complete each other.
- The Bible is **very accurate to historical facts** that happened in the past and is very well describing what is happening today.
- The **prophecies alone can prove that the bible is the truth**. There are **40 prophecies** in the Bible and **100% are accurate**.
- We have **more historical information about Jesus than Cesar** but nobody doubt about Cesar.
- The Bible was **written by several men moved by the Holy Spirit**.

- "All scripture is given by **inspiration of God**, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness" 2 Timothy 3:16
- "Search the scriptures; for in them ye think ye have eternal life: and **they are they which testify of me.**" - john 5:39
- "And he that saw it bare record, and **his record is true**: and he knoweth that he saith true, that ye might believe." - John 19:35

HOW CAN WE UNDERSTAND THE BIBLE?

Reading:

To understand the Bible, it is very simple, we got to open it and read it.

The Bible is the most powerful book in the world. It is a shield. The word of God is a weapon against evil. And Jesus is like the Bible, it is the light of the world, that is accessible to everyone.

Prayer:

By praying God will give us the wisdom to understand His words.

"For the LORD giveth wisdom: out of his mouth [cometh] knowledge and understanding. He layeth up sound wisdom for the righteous: [he is] a buckler to them that walk uprightly." - Proverbs 2:6-7

"If any of you lack wisdom, let him ask of God, that giveth to all men liberally, and upbraideth not; and it shall be given him." - James 1:5

Free Resources:

There are resources that can also help us. We can find resources in people we meet, in books or even on the web. Nevertheless, there are many resources that are false and put people in danger to believe the wrong things. Before trusting any of these resources **we have to check if they are in harmony with the Bible**. If you are always on the go, or for someone who can't or doesn't want to read, there are many audio resources within apps and even on Youtube. You can listen to them in your car, or at home while you are cooking for example.

Here are a few good resources which teachings are in harmony with the Bible:
